Encryptix Internship <internship@encryptix.in>

28 August 2024 at 20:51

Dear Intern,

Congratulations on being selected for the Encryptix Internship Program! We are excited to have you on board and look forward to your contributions during your internship period.

Internship Details:

- **Start Date:** 29th Aug 2024

- **End Date:** 29th Sep 2024

****Tasks/Projects:****

Please find below the list of tasks and projects you are required to complete during your internship:

1. Join Encryptix Telegram group for further updates. [[Click here](#)]
2. Follow our LinkedIn page. [[Click here](#)]
3. Follow us on Instagram. [[Click here](#)]

Join all the above links to stay updated daily.

****Important Points to Remember:****

1. Update your LinkedIn profile with your achievements (Offer Letter / Internship Completion Certificate) and tag @Encryptix, also use #Encryptix.
2. Plagiarism is strictly prohibited. If your project/code is found copied, your internship will be terminated.
3. Share a video of the completed task on LinkedIn and tag @Encryptix, also use #encryptix.
4. For Tech Internship, maintain a GitHub repository named ENCRYPTIX for all the tasks and share the link of the GitHub repo in the task submission form (which will be provided later through email).

Internship Timeline:

- **Start Date:** 29th Aug 2024

- **End Date:** 29th Sep 2024

Please remember the importance of adhering to the given timeline.

Contact Information:

- For any doubts, reach out at contact@encryptix.in.

Batch Details:

- **Batch:** Aug Batch 4

We congratulate you once again on your selection and appreciate your interest in Encryptix. We are excited to see you grow and learn during this internship.

Warm regards,

--
